Lancaster PA, USA

## Welcome To Lancaster!

Hello!

Welcome to Ground Zero Games – East Coast Convention 6, once again here in beautiful Lancaster, Pennsylvania. We're building off a successful first five years, and we're look forward to the next half-decade of fun, starting this weekend.

If you have any questions or any concerns, feel free to ask any of the committee members (Jon, Mark or Jerry).

Have fun, and enjoy the week-

## GZG-ECC VI Information

**Events:** As always, the main focus of GZG-ECC are the events. Some events are filled and are no longer accepting players. Other events, however, still have some room, and can accept drop-ins. Sign up at the registration desk to reserve a spot in these events.

**Vendors:** Also, we're pleased to welcome our vendors to the Convention — help support them and take something nice home.

**Miniatures Contest:** On Saturday Afternoon, Mark Kochte runs the GZG-ECC miniatures contest. There are four categories this year (1/300, 25mm, 15mm, and starship) and each person may enter two entries per category. Entries are taken Saturday morning, and the entire convention votes on the miniatures. The prizes are awarded Saturday evening, dur-

ing our awards ceremony.

**Painting Workshop:** Rick Rutherford is running a painting workshop on Saturday Evening. There is limited space available, so please pre-register at the registration desk.

**Quote Board:** It has become a tradition to write the more memorable quotes on our infamous quote board. Feel free to offer what you hear during the heated conversation of battle.

**Unofficial Games:** This convention is meant for games written by Jon Tuffley. However, if a table is open, you're welcome to play anything you want. Just double check with the registration desk.

**Con Shirts:** This year, shirts were pre-ordered during registration, though we may still have a couple left. Drop by the registration desk for more information.

**Volunteers:** We always need volunteers to help us run the registration desk, or to even run an event. If you have your minis with you, and feel like running an event on short notice, let us know and we'll announce your event to everybody. People who volunteer get \$5 off their Con admission.

**Captain's Lounge:** This is a place away from the hustle and bustle of the main convention floor. It's a place to play quieter games, eat breakfast, lunch, or dinner, or go to quietly chat while waiting for things to happen.

**Swap Table:** There's a swap table available for gamers wanting to trade or sell some stuff. Talk to Jerry Han if you're interested in selling something.

## GZG-ECC VI After Convention Survey

We're always looking for suggestions to improve things for future years. We want to continue to develop GZG-ECC as one of the best small conventions around. Please take a moment to fill this form out, detach it from the program, and leave it at the registration desk, or give it to one of the Committee, or mail it to the address below. Thanks for your time!

## Lancaster, Pennsylvania

During the Revolutionary War, Lancaster was the largest inland city in the Colonies. It was capital of the nation for 1 day, Sept. 27, 1777, when Congress stopped in Lancaster as it fled Philadelphia after the Battle of Brandywine. Lancaster was the state capital from 1799-1812.

The city is in the heart of Lancaster County, known for its Amish and Mennonite population, its picturesque and productive farms and its heaping platters of Pennsylvania Dutch food. The Visitor Information Center, on US 30 at the Greenfield Road exit, presents a brief orientation to the area through exhibits, a multi-image program, brochures and maps.
